

School Year: 2021-2022

EDUCATIONAL TRIP PERMISSION

Student's Name: _____
(Please Print)

My child has my permission to go on walking, and/or bus educational trips during the school year. I understand that these experiences are part of the school program and an extension for classroom teaching and learning. I also understand that the teacher will advise me in advance of each bus/walking trip and that my permission, given here, is for all trips unless I indicate otherwise in writing to the teacher before the date of an announced bus trip.

I acknowledge that HollyDELL School students, when away from school for educational activities, may be the subject of news media coverage. I recognize that HollyDELL School does not and cannot control inaccuracies that may occur in the reporting of such activities by the news media.
