

HollyDELL P.G.A.

The P.G.A. (Parent Group Association) at HollyDELL welcomes all new and returning parents/students to the 2021-2022 school year. Our group is very active with fundraising, and provides many student activities (i.e. Holiday Party). We also assist HollyDELL families, students, and classrooms that have special needs (financial, adapted equipment and technology, trips, food baskets, etc.). We encourage all parents to participate with the P.G.A. and appreciate any and all involvement. We welcome you to attend the P.G.A. monthly meetings to brainstorm fundraising and to review requests and/or assist with the fundraising or students activities. Please check below the activities that you may be interested in helping with and return to HollyDELL with your forms at the beginning of the school year.

The Parent Group Association is also still collecting box tops – save and send them in!
